Here's the back cover blurb:

**Are you ready to take your running to the next level?**

I don't mean physically; I mean spiritually. God's word tells us whatever we do, we do in the name of the Lord Jesus, giving thanks to the Father, for the glory of God. (Colossians 3:7; 1 Corinthians 10:31.) That includes running. Running can be a lonely activity, but with Jesus, you'll always have company. I've been learning to see His hand in every stride, and you can too.

Running for the Glory of God is a 40-day devotional written to motivate and inspire you to run to glorify God. Each devotional begins with a story connected to running or racing, and then uses Scripture to draw out spiritual lessons.

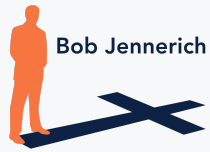

If you're a runner and you know Jesus as your Lord and Savior, this book will encourage you on your running journey and your spiritual journey. If you're not a believer, or if you've allowed yourself to drift from Jesus over the years, this book is for you, even if you're not a runner. It's time to get off the couch and

get back in spiritual shape. Let's toe the starting line and get ready to run. The gun is about to go off.

Thanks for your help!
